MBRP Muffler Installation Instructions

2025208	1998-1999	ZR/ZL
2080210	2000-2002	ZR/ZL
2090010/2095010	2000-2003	ZR/ZL
2100310	2000-2001	ZR 700
2110312/2115309	2001-2003	ZR/ZL

Note: Local regulations may limit or prohibit modification to your snowmobile's emissions system and/or the sound levels that it generates. It is your responsibility to be aware of restrictions that may apply to your intended use of this product.

1. Remove the springs and bolts fastening the stock muffler to the frame and exhaust pipe. (Set the hardware safely aside so that it can be reused.)
2. Remove the stock muffler.
3. Install the MBRP muffler, placing its outlet through the stock exit in the belly pan, aligning the MBRP muffler's lower bracket over the belly pan stud ensuring the rubber grommet is between the belly pan and the MBRP muffler bracket.
4. Install the upper MBRP muffler bracket on the belly pan/motor mount.
5. Using the stock springs and bolts fasten the MBRP muffler in all of the original locations.

NOTE: To avoid exhaust leaks use a high heat silicone to seal all connections between the expansion chambers and the muffler. Monitor the exhaust for leaks during the first 200 miles after your installation and re-apply silicone where necessary. We suggest having your local snowmobile mechanic or performance shop install this product.

CAUTION: **DO NOT** touch the muffler while the snowmobile is running or shortly after it has run, as it may result in personal injury.

MBRP Ltd. warranty applies for a two (2) year period from the date of purchase to defects in product material and workmanship and is to the original purchaser on record and for the original vehicle for which it was designed and installed. This warranty is limited, at MBRP Ltd. sole determination, to the repair or replacement of defective product only and does not include the cost of removal or re-installation, damage by accident, abuse, misuse or misapplication or any consequential damages however they may arise. Determination of warranty coverage shall be at the discretion of an authorized MBRP Ltd. quality engineer.
